by Tom Whitelock, President, Dallas Chapter

February 12 Meeting

Our Guest Speaker is Jean-Michel Roy, Consul General of Canada.

For future program suggestions, please feel free to call 2005 1st VP Tom Smith at 214-691-8023.

Knowing full well that 2005 and the years ahead hold both growth potential and exciting challenges for our Chapter, this opening commentary could just as easily have been titled "A Call to Arms" — each and every Compatriot called upon, however small the task, to aid in our cause and purpose. And what is that cause and purpose you ask? Simply put; they are the very objectives we promote in SAR.

We value and subscribe to fostering the patriotic, historical, educational ideals and activities; which in turn perpetuate the memory of ancestors who helped achieve our country's independence during the war of the American Revolution. We descendants promote fellowship within our Society membership, maintain and extend our institutions of freedom and celebrate anniversaries of the prominent events that led to the establishment of our great nation. I sincerely hope that each of you will join in this cause and purpose.

It really goes beyond being a proud member of a national organization. It requires that each of us participate (even in the smallest of ways) to gain full benefits. You can start by attending at least one of our fun-filled & informative monthly meetings during the year, by bringing along a fellow Dallas member (that we haven't seen for some time), or even stepping up to the podium for a brief 5 minute Americanism presentation. Serving on a committee doesn't take that much time and your sharing helps our Chapter "purpose" as a whole. Visiting the bedside of a hospitalized Veteran, joining in on a community holiday parade, and marking military gravesites with flags all add to our "cause."

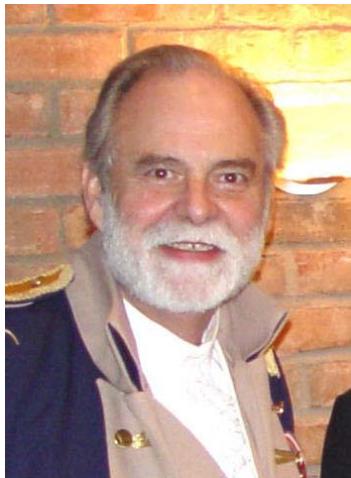

I am honored to have been selected to serve along with Compatriots who volunteered for our various Chapter offices and committee chairmanships, however, we still need to fill a few vacancies and I hope even our newest members will step up to assist. I'm looking forward to an award winning year and God willing, each of you will join me in recording the start of our Chapter's Next Seventy-five Years.

Compatriot Mike McKinney, pictured at left, will Chair next year's Rumbaugh Oration Contest among Dallas-Area high school students. For SAR membership purposes, Mike's Patriot Ancestor is John Goheen, an immigrant from Wales who settled in Pennsylvania Colony. It was from Philadelphia County that he joined the Continental Army and served as a private in Captain William Neilson's Company.

Another line of Mike's ancestry reaches to Peterfield Jefferson, a politician in the Virginia Colony who was a first cousin of Thomas Jefferson V, author of our Declaration of Independence and third President of the United States.

The Joseph S. Rumbaugh Historical Oration Contest is open to all students attending public, parochial, or private high schools who are in their sophomore, junior or senior year of study during the contest year. The contest is designed to explore the influence of the Revolutionary War on present day America. Rumbaugh was the first Chairman on the NSSAR Oration Committee.

Above Left: President-Elect Tom Whitelock swore in new Compatriot Garland Fairbairn, as Registrar Mel McCoy looks on. Above Right: FCP Danny Wilson received the large membership certificate from Ralph McDowell and Tom Smith.
