We Need You!

by David Temple, President, Dallas Chapter,
Sons of the American Revolution

As I write this we are winding down the TXSSAR Annual Meeting. Saturday's Youth Awards Luncheon portrayed all the aspects of SAR's purposes. This year's Oration Contest pitted five contestants speaking on topics relating today's events to some aspect of the Revolutionary War. The winning orator's selection brought all things into perspective with her demand that we must never forget the Supreme Commander.

New TXSSAR President-Elect and Dallas Chapter past President Bob Clark invited H. Ross Perot, Sr. to the Luncheon where he was the honored recipient of the SAR's highest award, the Gold Good Citizenship Medal. The award was presented to Mr. Perot for his lifetime of patriotic actions including his personal rescue of his employees from Iran, providing medical care to hundreds of wounded veterans, honoring returning soldiers, and getting involved in the education process for Texas.

Mr. Perot sat with one of the most decorated Eagle Scouts ever to enter the Eagle Scout Contest. Having collected all 121 merit badges by the age of 13, Roland Salatino was presented the SAR's Eagle Scout Trophy by Mr. Perot. His sister later sang a beautiful rendition of the National Anthem as a solo at Saturday's banquet.

The winning Poster Contest entry was entered by the Dallas Chapter and will now travel to the SAR Congress in Winston-Salem, North Carolina. Nathaniel Ames flew back from Cornell University to accept his prize as the First Place winner of the CAR Essay Contest. You may recall meeting him at a Dallas Chapter meeting.

The bottom line is we need YOU! Whether it's chairing a contest, assisting in the presentation of JROTC and Bronze Good Citizenship medals to high school students, or visiting schools in revolutionary war uniforms, we need YOU! Please get involved in 2011 by contributing to any of the many activities involving our youth. We can honor our patriot ancestors by telling their stories to today's youth.

Sincerely,

Dallas Chapter News

Upper left, clockwise: Our speaker in February was **John M. Hayes**, the Military and Veterans Affairs Liaison for Congressman Kenny Marchant, who spoke on various aspects of his job. Our March speaker was **Greg Totterdale** who spoke on "The National Road" which was built in the early 1800's between Cumberland, MD and Vandalia, IL. This road set many precedents that eventually led to our Interstate Highway System. The road was also a major migration route for early settlers to the Midwest. In March, Chapter VP **Bob Northcraft**, who was recently appointed Commander of the Northern Division of the TXSSAR Color Guard, presented a multi-year Color Guard Certificate for Participation to "**Lady Barbara Baker**" in recognition for her participation in numerous color guard events in which she plays Martha Washington. In February, Compatriot **Bill Holland** was surprised by the appearance of a special birthday cake on the occasion of his 86th birthday. Compatriot **D.W. "Tex" Whitaker** was similarly honored in March on the occasion of his 92nd birthday.

Dallas Chapter President David Temple presented Fire Safety Medals to Andre Copling, Bret Stidham, and Jason Evans. Chief Eddie Burns of Dallas Fire Rescue thanked the Chapter for its recognition.

On the occasion of the death of Cpl. Frank Buckles, the last of the WWI “Doughboy” veterans, the Color Guard and DAR participated in a special service at the War Memorial at Mt. The Liberty Bell was rung, and Bob Northcraft and David Hall spoke. The event was carried on two Dallas TV stations that evening.

Dallas Chapter at TXSSAR Youth Awards Luncheon

John Morton, always produces winners in the annual 5th-grade poster contests. It takes a lot of work and perseverance to get as many entries as he does. The 2011 TXSSAR First Prize poster at right was created by Daylon Markle Franklin of R. C. Burleson Elementary. The 2011 subject of all entries was "The Battle of Cowpens."

Roland Michael Salatino, a junior at St. Mark's School of Texas in Dallas, was selected as the Outstanding Boy Scout. He is a dual member of the San Antonio Chapter and the Dallas Chapter.

Jan Holland of Eubanks Intermediate School in Southlake was nominated by Bob Northcraft and won the Outstanding History Teacher Award.

The surprise guest speaker at the Annual TXSSAR Youth Awards Luncheon was H. Ross Perot who received the Gold Good Citizenship Medal, the highest award given by the SAR, from Jim Jones. Mr. Perot addressed the audience about Scouting and presented the SAR Eagle Scout Award to Roland Salatino.

6. Patriot Captain John Parker commanded about 77 Minutemen at Lexington Green. What did he tell his men to do when he realized that the British outnumbered them three to one? Disperse. As they began to leave, a shot was fired, and two volleys were fired by the British regulars, killing eight and wounding eight of the Patriots.

New Americanism Quiz (Answers in the May-June Issue):

Two dates appear on the left side of the North Carolina Flag — May 20, 1775 and April 12, 1776. These dates are important in the history of the North Carolina Colony and in the history of the United States. What happened on these dates, what are the events called, and why are they significant?

Special Announcement: Compatriot David Hall Needs Our Prayers and Help!

David Hall, owner of the world's only traveling replica of the Liberty Bell, has dedicated his life to serving and honoring our Patriot Heroes by bringing the Bell to funerals of fallen heroes and to patriotic events. All of the profits from his commercial painting and sandblasting business have for years gone into the upkeep and transport of the Bell. Now David has pancreatic cancer.

This dreaded disease strikes about 43,000 people in the United States annually. Fewer than 5% are still alive after 5 years. In the U.S., treatment is very expensive. Complete remission is rare. In keeping with his practice of pouring his life into the mission of the Bell, David has no medical insurance.

As this announcement is being prepared, David and Phyllis have traveled to Quito, Ecuador for a special experimental treatment that may be his best hope for long-term survival. A fund has been established specifically to help pay for David's medical expenses. Tax-deductible contributions may be sent to:
