### THEY TOOK A VOTE

▶ *“Valor is a gift. Those having it never know for sure whether they have it until the test comes”* Carl Sandburg

▶ The strength of a country comes from its people. It always has and always will. No matter what pomp and bravado a government shows, the solidity of the nation is directly determined by that of the individual citizens. The cowards who killed our sisters and brothers, our mothers and fathers, our sons and daughters should know what happened on the flight they unsuccessfully tried to turn into a bomb over Pennsylvania on 9/11/2001. So should the rest of us. In the history of this country of freedom, there has never been an event more emblematic of the values and heroism of the United States of America. American Airlines (Flight #93) had been hijacked and was being turned around to be used against innocent citizens at some unknown target in Washington, DC. After some hurried cell phone calls to their loved ones, passengers learned of the World Trade Center attacks. They considered the consequences, then they took a vote together.

▶ In that instant, they validated the great experiment of the United States of America. They voted!!! They affirmed the Declaration of Independence, the Constitution, our entire history of freedom, and gave meaning to every soldier who’s ever died in the service of this country. Faced with all of the threats that this country stands against and in their own last hour, these Americans determined their path with a simple act of democracy...of freedom. They voted!!! They voted to give their lives to save the innocent people for which the plane was headed.

▶ September 11, 2001, is a date, as was said of Pearl Harbor, that will live in infamy. Thousands perished at the hands of cowards. We should never forget, however, that it was also the day that a few heroic patriots thousands of feet above Pennsylvania farmland sent a message to the entire world...”our commitment to freedom and democracy in the United States of America is not wavering / it is not shaken / and it cannot be taken away from us by any single act of terror”.

**AMERICA STANDS FOR FREEDOM...PLEASE SHOW  
YOUR SUPPORT...WITH YOUR VOTE!!!**

Presentation of Heroism Medal to Garland Police Officer Gregory Stevens and Garland Independent School District Security Officer Bruce Joiner.

**Subject: Garland Police Officer Gregory Stevens**

The Military Officers of World Wars meets in Dallas each month for lunch. I am a member of this organization in addition to my membership in SAR. At today's meeting, the Dallas Chapter awarded the highest honor it can bestow, the Silver "Patrick Henry" medal to officer Gregory Stevens.

Following the meeting I met with officer Stevens and noted that I was very pleased to see him receive this honor in addition to the honor that the Sons of the American Revolution had awarded to him at our State Convention in April.

His response was heartwarming. He told me that the SAR award was the first recognition that he had received after the action he took to protect lives at the Garland Culwell Center. He said that even before the President's staff had contacted him, or any other organization had recognized him and his associate for their work, SAR had stepped forward and reached out to recognize them.

He noted (as tears welled up in his eyes) that he had not really read the SAR certificate of award when he took it home. The next day his son asked him what he had received and only then did the two of them read the certificate together. He was overwhelmed with the sentiment of the award. He then thanked me again and asked that I pass on to SAR just how much he and Officer Bruce Joiner appreciated that early and public recognition from SAR.

Job well done EFT !

While I was at Colonial Williamsburg I had a lot of fun shooting the Brown Bess and the Fowler at the gun range. Attached is a photo of my target. Somehow I hit all 5 bottles. My instructor said the very few people hit all the bottles the first time they shoot black power flintlock. The class size was only 3 adults. I shot about 17 rounds. Hit the target 15 time and 2 shots was just below the target. I got my certificate

showing I shot there.

We ran across a man at the Appomattox that did not know about being able to shoot at Williamsburg. He was going to look into it the next time he goes there.

STATE FAIR OF TEXAS

SEPT. 30 - OCT. 23, 2016 FAIR PARK • DALLAS

During the Annual Texas State Fair (Sept. 30- Oct. 23) the Jane Douglas Chapter of NSDAR is kind enough to invite the SAR to have a recruitment table in their "Continental DAR House". Compatriot volunteers share 3 to 4 hour shifts in manning the table visit with and sign up prospective new members (from all over the State). Some of us dress in our colonial attire or color guard uniforms since we usually have a number of photo requests. Various north Texas chapters take the opportunity to participate in this "fun" event. Contact George Ramphrey at [gramphrey@yahoo.com](mailto:gramphrey@yahoo.com) to sign up or gather more information.
