President's Message:

It was good seeing so many of our members in person at the June meeting. We had room for more. We have a number of new members scheduled to be inducted at the July meeting along with Ms. Avery Lovell presenting her winning essay entitled "Our American Heritage and Responsibility for Preserving It". This is a very timely topic.

Also, I hope our color guard will be able to turn out in force for Dr. Montie Monzingo's final interment in the Old Saltillo Cemetery at 664 County Road 3357, Saltillo, Texas on Saturday, July 18, 2020 at 10:30 A.M. I will distribute further information as the date nears.

I am looking forward to a good turnout to welcome our new members.

Thanks,

Bob Vickers

I look forward to seeing everyone at the July 9th meeting at Soulman's in Rockwall.

Still collecting Patriot Spotlights. If you would like to send me a Word file, around 250 words or so, about your Patriot, I would love to add it to the Newsletter. My email address is d.b.jackson@att.net.

You ask yourself, "Why am I looking at the Battle of Hampton Roads?" Hiram Paulding was the Rear Admiral in charge of getting the USS Monitor constructed and delivered to Hampton Roads in time for its battle with the Merrimac, a/k/a CSS Virginia, on March 9th, 1862. Hiram Paulding was the son of John Paulding, one of the Captors of Major John Andre'.

Stay Healthy!!
