

Ladies Auxiliary of the TXSSAR

2009 –2010 Fundraiser for the Patriot Fund

The Ladies Auxiliary is announcing its Annual Patriot Fund fundraising project for this SAR Term.

The artwork is a set of framed finely-stitched needlework pieces depicting early flags of our great Republic! The matted art is 16" x 20" in gold frames. Pictured above is the needlework.

These beautiful pieces of patriotic needlework were prepared by Ann Mitchell, wife of Compatriot James Mitchell of the PineyWoods chapter. Ann is a wonderful supporter of SAR. She thought of SAR the minute she saw these fabulous patterns.

Don't miss your opportunity to proudly display these beautiful pieces in your home or office. The drawing will be held during the 2010 State Meeting in Houston. Chances are \$2.00 or 3 for \$5.00.

Please support the Ladies by purchasing tickets from one of the LATXSSAR members. Remember: The funds raised will be used to support the Patriot Fund, for the support of the SAR youth programs.
